Principles - the ethical foundations for accountability relationships

Sylvia Karlsson-Vinkhuyzen, Wageningen University

Side-event 11 December 2015
Generation Space at COP21 in Paris
Accountability after Paris?
The fourth pathway: internal accountability?

Stay on course. Walk the walk.

ACCOUNTABILITY

Keep your commitments. Be REAL - not fake.

Consequences:
"This dog has teeth!"

Stand and deliver.
Who? About what?
How? By what standards?
With what effects?
The fourth pathway: internal accountability?
What principles do you favour?

Let’s discuss.
